Arran: Hey, man. I sent you a message via Skype. The recording software wasn't working when we interviewed. I have no intentions of annoying you, but if you do have the time for another go around in the next couple of days I would appreciate it.
me: no problem, we can do it over
Arran: Cool, man. Thank you for your understanding. How about some time tomorrow?
me: I think that will work
Arran: I will contact you again sometime late afternoon, then - around 4 your time?
me: word
Arran: ;)
